

THE HIGH ROLLER

THE EXCHANGE CLUB OF LAS VEGAS, NEVADA

It's a New Beginning

The Exchange Club of Las Vegas has officially replaced the *Internet Club*. As you are aware, we've faced many challenges over the last two years, but we're finally on the road to 'redemption'. Though growing the Internet Club proved to be a fruitless endeavor, we have now a great potential to serve what is one of the most dynamic areas in the United States. And look, all of us now have something to do! We've appointed (volunteered) **José, Dick** and **Marilyn** to be our initial directors, and hopefully you'll all agree to work with us by contributing your experience and wisdom as we get things rolling. We are certainly not going to abandon the on-line aspect of the club, just putting down roots in city that is perfect for Exchange growth, while allowing all who want to be virtual members the ability to do so. We do plan to re-establish scheduled on-line meetings very soon. So stick with us and if you have contacts in the Las Vegas area, let them know we're here and ready to perform.

2024 District Convention

JP, Dave & Jim attended the 100th California Nevada District Convention in San Bernardino (aren't you jealous?) on June 29th & 30th. Lots of camaraderie, serious discussions and great speakers including National VP Julie Harman from Michigan and the Fontana Police Chief Michael Dorsey. Congrats to **JP** who was elected District President-Elect and to **Dave** who was elected to the District Charitable Foundation Board!

Membership Dues

During our changeover we have kept the dues low and everyone on board. Now we have to get back on track to cover at a minimum our National and District dues. Effective NOW quarterly dues are \$45. All members are current as of June 30th. Please see the accompanying email for more details.

EXCHANGE CLUB COVENANT OF SERVICE

Accepting the divine privilege of single and collective responsibility as life's noblest gift, I covenant with my fellow Exchangites:

- To consecrate my best energies to the uplifting of Social, Religious, Political and Business ideals;
- To discharge the debt I owe to those of high and low estate who have served and sacrificed that the heritage of American citizenship might be mine;
- To honor and respect law, to serve my fellowmen, and to uphold the ideals and institutions of my Country;
- To implant the life-giving, society-building spirit of Service and Comradeship in my social and business relationships;
- To serve in Unity with those seeking better conditions, better understandings, and greater opportunities for all.

From the President

As we stand on the brink of a new chapter, I am filled with excitement and optimism. New beginnings are a powerful opportunity to reimagine our goals and strengthen our commitment to our shared Exchange vision. Together, we have the chance to forge fresh paths, inspire innovative ideas, and cultivate connections within a new community. Support our efforts in exciting Las Vegas! Your dedication and passion are the heartbeat of this club, and with each new step, we will grow stronger. Let us embrace this moment with enthusiasm and a renewed sense of purpose. Here's to new beginnings and the remarkable journey ahead. Thank you for your continued support! Warm regards, *JP*
